

# Superstar

Kendall Payne

Look at all those lives living for themselves  
Look at all you've got that you could give to someone else, yeah  
Look at all you've done with all the days you've had so far  
What you will become is up to you to search your heart  
But nothing ever changes, You see so many faces  
No, nothing ever changes until someone changes you  
Who do you think you are? Who do you think you are?  
Some kind of superstar?  
(When you see the world in need, who do you want to be?  
You can be who you want to be)  
Look at all your time wasted on what fades away  
Would you take it back if you could have your yesterdays?  
When all this is over maybe we'll see  
Who we were made for and destined to be, but tell me...
