Ain't nobody prayin' for me
Y'all know what happens on Earth stays on Earth
Here we go
I don't give a fuck, I don't give a fuck
I don't give a, I don't give a, I don't give a fuck

I'm willin' to die for this shit
I done cried for this shit, might take a life for this shit
Put the Bible down and go eye for an eye for this shit
D.O.T. my enemy, won't catch a vibe for this shit, ayy
I been stomped out in front of my mama
My daddy commissary made it to commas
Bitch, all my grandmas dead
So ain't nobody prayin' for me, I'm on your head, ayy
30 millions later, know the feds watchin'
Auntie on my telegram like, "Be cautious"
I be hangin' out at Tam's, I be on Stockton
I don't do it for the 'Gram, I do it for Compton
I'm willin' to die for this shit, nigga
I'll take your fuckin' life for this shit, nigga
We ain't goin' back to broke, family sellin' dope
That's why you maney ass rap niggas better know

If I gotta slap a pussy ass nigga, I'ma make it look sexy
If I gotta go hard on a bitch, I'ma make it look sexy
I pull up, hop out, air out, made it look sexy
They won't take me out my element
Nah, take me out my element

I'm allergic to a bitch nigga, ayy
An imaginary rich nigga, ayy
Seven figures hold that slimmer than my bitch figure, ayy
Goin' digital and physical on all y'all, ayy
Bunch of criminals and money in my phone calls, ayy
We okay, we let the A1 fly
Relocate, jump on the same G5
Checkin' for me heavy 'cause I go yeah, I go yeah
They never been ready yeah, I know yeah, know yeah
100K spread 'cross the floor, 'cross floor yeah
None of y'all fuckin' with the flow yeah, the flow yeah
Years in the making, don't y'all mistake it
I got 'em by a landslide, we talkin' 'bout races
You know this'll never be a tie, just look at they laces
You know careers take off, just gotta be patient
Mr. one through five that's the only logic
Fake my death, go to Cuba, that's the only option

If I gotta slap a pussy ass nigga, I'ma make it look sexy
If I gotta go hard on a bitch, I'ma make it look sexy
I pull up, hop out, air out, made it look sexy
They won't take me out my element
Nah, take me out my element

Damned if I do, if I don't
Goddamn us all if you won't
Damn, damn, damn it's a goddamn shame

You ain't frontline, get out the goddamn way

Niggas thought they wasn't gonna see me, huh?

Niggas thought that K-Dot real life

Was the same life they see on TV, huh?

Niggas wanna flex on me and be in LA for free, huh?

Next time they hit the 10 freeway, we need receipt, huh?

'Cause most of y'all ain't real

Most of y'all gon' squeal

Most of y'all just envy, but jealousy get you killed

Most of y'all throw rocks and try to hide your hand

Just say his name and I promise that you'll see Candyman

Because it's all in your eyes

Most of y'all tell lies, most of y'all don't fade

Most of y'all been advised

Last LP I tried to lift the black artists

But it's a difference between black artists and wack artists

If I gotta slap a pussy ass nigga, I'ma make it look sexy

It's the one and only, the world's greatest, the Kid Capri

If I gotta go hard on a bitch, I'ma make it look sexy

I pull up, hop out, air out, made it look sexy

They won't take me out my element

Nah, take me out my element
