

## For Sale?

Kendrick Lamar

What's wrong nigga?  
I thought you was keeping it gangsta?  
I thought this what you wanted?  
They say if you scared go to church  
But remember  
He knows the bible too

My baby when I get you get you get you get you  
Ima go head to ride with you  
Smoking lokin' poking the deja till I'm idle with you  
Cause I (want you)  
Now baby when I'm riding here I'm riding dirty  
Registration is out of service  
Smoking lokin' drinking the potion you can see me swerving  
Cause I (want you)  
I want you more than you know

I remember you took me to the mall last week baby  
You looked me in my eyes about 4 5 times  
Till I was hypnotized then you clarified  
That I (want you)  
You said Sherane ain't got nothing on Lucy  
I said you crazy  
Roses are red violets are blue but me and you both pushing up daisies if I (  
want you)

My baby when I get you get you get you get you  
Ima go head to ride with you  
Smoking lokin' poking the deja till I'm idle with you  
Cause I (want you)  
Now baby when I'm riding here I'm riding dirty  
Registration is out of service  
Smoking lokin' drinking the potion you can see me swerving  
Cause I (want you)  
I want you more than you know

You said to me  
You said your name was Lucy  
I said where's Ricardo?  
I said oh no, not the show  
Than you spit a little rap to me like this  
When I turned 26 I was like oh shit  
You said this to me  
I remember what you said too you said  
My name is Lucy Kendrick  
You introduced me Kendrick  
Usually I don't do this  
But I see you and me Kendrick  
Lucy Give you no worries  
Lucy got million stories  
About these rappers I came after when they was boring  
Lucy gone fill your pockets  
Lucy gone move your mama out of Compton  
Inside the gi-gantic mansion like I promised  
Lucy just want your trust and loyalty  
Avoiding me?  
It's not so easy I'm at these functions accordingly

Kendrick, Lucy don't slack a minute  
Lucy work harder  
Lucy gone call you even when Lucy know you love your Father  
I'm Lucy  
I loosely heard prayers on your first album truly  
Lucy don't mind cause at the end of the day you'll pursue me  
Lucy go get it, Lucy not timid, Lucy up front  
Lucy got paper work on top of paper work  
I want you to know that Lucy got you  
All your life I watched you  
And now you all grown up then sign this contract if that's possible

My baby when I get you get you get you get you  
Ima go head to ride with you  
Smoking lokin' poking the deja till I'm idle with you  
Cause I (want you)  
Now baby when I'm riding here I'm riding dirty  
Registration is out of service  
Smoking lokin' drinking the potion you can see me swerving  
Cause I (want you)  
I want you more than you know

I remembered you was conflicted  
Misusing your influence, sometimes I did the same  
Abusing my power full of resentment  
Resentment that turned into a deep depression  
Found myself screamin' in the hotel room  
I didn't wanna self destruct  
The evils of Lucy was all around me  
So I went runnin' for answers  
Until I came home
