

# Love

Kendrick Lamar

Damn, love or lust  
Damn, all of us

Give me a run for my money  
There is nobody, no one to outrun me  
(Another world premiere!)  
So give me a run for my money  
Sippin' bubbly, feelin' lovely, livin' lovely  
Just love me  
I wanna be with you, ayy, I wanna be with  
Just love me, just love me, just love me  
I wanna be with you, ayy, I wanna be with  
Love me  
I wanna be with you  
Love me, just love me

If I didn't ride blade on curb, would you still (love me)?  
If I minimize my net worth, would you still (love me)?  
Keep it a hundred, I'd rather you trust me than to (love me)  
Keep it a whole one hund': don't got you, I got nothin'

Ayy, I got somethin'  
Hol' up, we gon' function, no assumptions  
Feelin' like Tyson with it  
Knock it out twice, I'm with it  
Only for the night, I'm kiddin'  
Only for life, you're a homie for life  
You're a homie for life, let's get it  
Hit that shoulder lean  
I know what comin' over mean  
Backstroke oversea  
I know what you need  
Already on ten, our money come in  
All feeling go out, this feeling don't drought  
This party won't end

If I didn't ride blade on curb, would you still (love me)?  
If I minimize my net worth, would you still (love me)?  
Keep it a hundred, I'd rather you trust me than to (love me)  
Keep it a whole one hund': don't got you, I got nothin'

Give me a run for my money  
There is nobody, no one to outrun me  
So give me a run for my money  
Sippin' bubbly, feelin' lovely, livin' lovely  
Just love me  
I wanna be with you, ayy, I wanna be with  
Just love me, just love me, just love me  
I wanna be with you, ayy, I wanna be with  
Love me  
I wanna be with you  
Love me, just love me

I'm on the way  
We ain't got no time to waste  
Poppin' your gum on the way  
Am I in the way?

I don't wan' pressure you none  
I want your blessing today  
Oh, by the way, open the door by the way  
Told you that I'm on the way  
I'm on the way, I know connection is vague  
Pick up the phone for me, babe  
Damn it, we jammin'  
Bad attitude from yo' nanny  
Curves and your hips from yo' mammy  
Remember Gardena, I took the studio camera  
I know Top will be mad at me  
I had to do it, I want your body, your music  
I bought the big one to prove it  
Look what you made  
Told you that I'm on the way  
I'm like an exit away, yep

If I didn't ride blade on curb, would you still (love me)?  
If I minimize my net worth, would you still (love me)?  
Keep it a hundred, I'd rather you trust me than to (love me)  
Keep it a whole one hund': don't got you, I got nothin'

Give me a run for my money  
There is nobody, no one to outrun me  
So give me a run for my money  
Sippin' bubbly, feelin' lovely, livin' lovely  
Just love me  
I wanna be with you, ayy, I wanna be with  
Just love me, just love me, just love me  
I wanna be with you, ayy, I wanna be with  
Love me  
I wanna be with you  
Love me, just love me
