

In Your Car

Kenickie

Tell us exactly
I said
You've got a gift
I can tell by looking
Give us a lift
I get so tired of walking

Yeah Yeah Yeah Yeah Yeah Yeah Yeah

I'm in heaven
I have been told (who told ya?)
I'm in heaven
I'm too young to feel this old

What happened then?
Is this your car?
It's quite a machine
Doting father
I see you keep it clean

Yeah Yeah Yeah Yeah Yeah Yeah Yeah

I'm in heaven
I have been told (who told ya?)
I'm in heaven
I'm too young to feel this old

We heard you talking
Back to your house
In the afternoon
What are you talking about?
Well I want to see your room

Yeah Yeah Yeah Yeah Yeah Yeah Yeah

It's so seductive when he understands
Its so seductive when he takes my head
In his hands and says

It doesn't matter what kind of mess I make
Oh yeah he's gonnasee for certain
Everything will be okay

Yeah
I'm in heaven
I have been told (who told ya?)
I'm in heaven
I'm too young too feel so old

How d'ya leave him?
I just said thanks for the ride
It sure beats walking
You're really alright
Though you can't tell by looking

Yeah Yeah Yeah Yeah Yeah Yeah Yeah

This is heaven, didn't you know?
D'ya reckon?
This is heaven
I'm too young to feel this old
