Back Where I Come From

Kenny Chesney

Well, in the town where I was raised The clock ticks and the cattle graze Time passed with amazing grace Back where I come from.

You could lie on a riverbank
Or paint your name on a water tank
Or miscount all the beers you drank
Back where I come from.

Back where I come from Where I'll be when it's said and done Well, I'm proud as anyone That's where I come from.

We learned in a Sunday school Who made the sun shine through I know who made the moon shine too Back where I come from.

Blue eyes on a Saturday night Tan legs in the broad daylight TV's they were black and white Back where I come from.

Back where I come from Where I'll be when it's said and done Well, I'm proud as anyone That's where I come from.

Some say it's a backward place Narrow minds on the narrow way But I make it a point to say That's where I come from.

That's where I come from Where I'll be when it's said and done Well, I'm proud as anyone That's where I come from.

Back where I come from I'm an old Tennesseean I'm proud as anyone That's where I come from.

Back where I come from.
Back where I come from.
Back where I come from...
