Sitting here at the Flora-Bama
Bout to open up a big old can of good times, unwind
Fall in and out of love in the same night
In the same night

There's ball caps, photographs, dollar bills and bras License plates from every state nailed up to the wall Spring breakers, heart breakers, already getting loud Talladega's on the big screen, don't it make you proud?

Sitting here at the Flora-Bama
Bout to open up a big old can of good times, unwind
Fall in and out of love in the same night
Can't say I got a whole lot of cares
I'm in the redneck riviera
It's getting crazy, getting hammered
Sitting right here at the Flora-Bama
At the Flora-Bama

There's hot time, low tide, years of history Hurricanes with different names that almost took the beach The sign that says "live your life" just for inspiration Gonna raise a lot of hell tonight in the, in the no shoes nation

Got your Who Dat?, go Vols, roll tide and the Seminoles Old dogs, war eagle, green-eyed gator, that's barely legal

Don't it feel good?
Don't it feel good?
