

# I Want My Rib Back

Kenny Chesney

Now the bible tells the story about Adam's rib.  
How the Lord made a woman for companionship.  
And the first thing she did,  
Was take a bite of that forbidden fruit.  
Well, I guess we'll be paying till the end of time,  
At least that's how it is with that woman of mine.  
Oh Lord, I think I want my rib back.

Now this is wrong and, baby, that ain't right.  
And I'm working tryin' to please that woman day and night.  
She's never satisfied although I try to do the best that I can.  
Somethin's got a change honey, I'm gonna leave.  
I won't let evolution gonna make a monkey out of me,  
Oh Lord, I think I want my rib back.

There's been a hole in wallet and a pain in my side,  
Ever since I made that girl my blushing bride.  
Her daddy calls her angel,  
And her momma calls her three times a night.  
Her cousins on my sofa, her sister's got my car,  
Her brother's drink my liquor like my house was a bar,  
Oh Lord, well, I think I want my rib back.

Now this is wrong and, baby, that ain't right.  
And I'm working tryin' to please that woman day and night.  
She's never satisfied although I try to do the best that I can.  
Somethin's got a change honey, I'm gonna leave.  
I won't let evolution gonna make a monkey out of me,  
Oh Lord, I think I want my rib back.

Oh Lord, I think I want my rib back.
