

Lindy

Kenny Chesney

Lindy strolls around

Down main streets

Down side streets

Makin his way through town he picks up pennies

Saves 'em for a rainy day

With callous feet he makes his way to see the sun sink in the bay

Lindy strolls around and around and around

Around and around and around

He plays piano at the church when nobody's watchin'

Takes cigarettes from strangers and sometimes you see Him talkin' to

himself, laughin' to himself

Lindy strolls around and around and around

Around and around and around

Lindy's seen it all

Storms and hurricanes

Some say he's insane

No one knows his last name

But I believe

He's the salt of the Earth

Just look past his dirty shirt and you will see just what he's worth

Lindy strolls around and around and around

Around and around and around

He plays piano at the church when nobody's watchin'

Takes cigarettes from strangers and sometimes you see

him talkin' to himself, laughin' to himself

Lindy strolls around and around and around

Around and around and around

Ooooh (2x)

He plays piano at the church when nobody's watchin'

Takes cigarettes from strangers and sometimes you see

Him talkin' to himself, laughin' to himself

Lindy strolls around and around and around

Around and around and around

Lindy strolls around and around and around

Ooooh (2x)
