

## Me and You

Kenny Chesney

Ordinary, no  
Really don't think so  
Not a love this true  
Common destiny  
We were meant to be  
Me and you

Like a perfect scene  
From a movie screen  
We're a dream come true  
Suited perfectly  
For eternity  
Me and you

Everyday, I need you even more  
And the nighttime too  
There's no way I could ever let you go  
Even if I wanted to

Everyday I live  
Try my best to give  
All I have to you  
Thank the stars above  
That we share this love  
Me and you

Everyday, I need you even more  
And the nighttime too  
There's no way I could ever let you go  
Even if I wanted to

Ordinary, no  
Really don't think so  
Just a precious few  
Ever make it last  
Get as lucky as  
Me and you  
Me and you
