## Me and You

## **Kenny Chesney**

Ordinary, no Really don't think so Not a love this true Common destiny We were meant to be Me and you

Like a perfect scene From a movie screen We're a dream come true Suited perfectly For eternity Me and you

Everyday, I need you even more And the nighttime too There's no way I could ever let you go Even if I wanted to

Everyday I live Try my best to give All I have to you Thank the stars above That we share this love Me and you

Everyday, I need you even more And the nighttime too There's no way I could ever let you go Even if I wanted to

Ordinary, no Really don't think so Just a precious few Ever make it last Get as lucky as Me and you Me and you
