

Never Gonna Feel Like That Again

Kenny Chesney

Friday night, butterflies
Like clock work, they'd arrive
A little chill in an October sky
Nervous til' the kickoff came
Four quarters, win or lose
Spent Saturdays black and blue
But it was what I loved to do
and it was more than just a game

It was my life and it was fun
Another season of my life, it's done
Another race I'm glad I got to run
Another chapter of my life, it's over
No, I'm never gonna feel like that again
Time's rushin' by me like the wind
Never be as young as I was then
No, I'm never gonna feel like that again

Practice dancin' in my garage
Two left feet and a white corsage
Daddy let me borrow the Dodge
Said "Don't bring her home on empty.";
I swung by and picked up Cindy Lou
Took her to the prom for a dance or two
Then we drove down to the water, blue
And that's where she kissed me

It was my life and it was fun
Another season of my life, it's done
Another race I'm glad I got to run
Another chapter of my life, it's over
No, I'm never gonna feel like that again
Time's rushin' by me like the wind
Never be as young as I was then
No, I'm never gonna feel like that again

I got a call one July day
Cindy Lou was in that way
I had a big decision to make,
and I couldn't take it lightly
At first I thought of leavin town
But I couldn't let our families down
Now I'm out here throwin this ball
around with a boy that looks just like me

Well, it's my life and it's sure fun
Another season of my life's begun
Another race I'm glad I get to run
Another chapter of my life, I'm writing
No, I'm never gonna feel like this again
Time's rushin' by me like the wind
Gotta grab each moment that I can
Cuz' I'm never gonna feel like this again

No, I'm never gonna feel like this again
No, I'm never gonna feel like this again
