

## To Get to You (55th and 3rd)

Kenny Chesney

New York City, 55th and 3rd  
I reached out my hand, and there you were  
Led me where I thought I wouldn't go  
It's more than just my hand now that, you hold.

There've been lessons learned, pages turned  
Even a few bridges burned  
Love's become a frightening thing to do  
I've been out, and I've been in  
I've been scared to try again  
You're worth every hurt my heart's been through  
I'd go through it all again, if I had to  
To get to you (55th and 3rd)

I still see us dancin' in my mind  
My arms stay around you all the time  
Even when we're miles and miles apart  
I reach out my hand and there you are

There've been lessons learned, pages turned  
Even a few bridges burned  
Love's become a frightening thing to do  
I've been out, and I've been in  
I've been scared to try again  
You're worth every hurt my heart's been through  
I'd go through it all again, if I had to  
To get to you (55th and 3rd)

At the corner booth, I hung on every word  
You're back beneath my hands, as close as we could be  
You pull me close, and dance the heart right out of me

There've been lessons learned, pages turned  
Even a few bridges burned  
Love's become a frightening thing to do  
I've been out, and I've been in  
I've been scared to try again  
You're worth every hurt my heart's been through  
I'd go through it all again, if I had to  
To get to you (55th and 3rd)

Oh, I hung on every word  
55th and 3rd  
55th and 3rd
