(Turn Out the Light And) Love Me Tonight

Kenny Chesney

Well, I've been lonesome
I've been empty
I got an aching
Way deep down inside
And I need someone
Someone to hold me
Pull down the shade,
Turn out the light
And love me tonight.

Don't think about tomorrow
It don't matter anymore
We can turn the key
And lock the world
Outside the door
I need you so now
Come on let go now
Kick off your shoes,
Turn out the light
And love me tonight.

Well, don't you worry We're all alone now So let your hair down Come sit by my side And turn off the TV Put on some music Pull down the shade, Turn out the light And love me tonight.

Don't think about tomorrow
It don't matter anymore
We can turn the key
And lock the world
Outside the door
I need you so now
Come on let go now
Kick off your shoes,
Turn out the light
And love me tonight.

I need you so now
Come on let go now
Pull down the shade,
Turn out the light
And love me tonight...
