

All My Tomorrows

Kenny Lattimore

All my yesterdays, all so blue
Days spent waiting, waiting to find you
Now those sad yesterdays, they're so far behind another lifetime

Sign your name on my future write your name on my heart
You're the one that I need in my life and my arms

All my tomorrows, they're all for you
All of my always, for all my whole life through babe
'Cause you're the one I want, I want to give tomorrow too
You'll always have all my tomorrows, they're all for you babe

All your every days, I'll be there
You'll have no doubts how much that I can care
There'll never be a day when I leave your side, not in this lifetime

Write your name on my future, sign your name on my soul
You're the one that I'll hold for all time
And I'm never never letting you go, no no baby 'cause

All my tomorrows, they're all for you
All of my always, for all my whole life through babe
'Cause you're the one I want, I want to give tomorrow too
You'll always have all my tomorrows, they're all for you babe

All my tomorrows, all my tomorrows they're all for you babe
All my tomorrows, all my tomorrows
All my heart and my soul, all I have, have it all
All I ever will need is you here with me, sharing with me
All my, all my tomorrows

All my tomorrows, they're all for you
All of my always, for all my whole life through babe
'Cause you're the one I want, I want to give tomorrow too
You'll always have all my tomorrows, they're all for you babe

All my tomorrows, they're all for you
All of my always, for all my whole life through babe
You're the one I want, I want to give tomorrow too
You'll always have all my tomorrows, they're all for you

All my tomorrows, they're all for you
All of my always, for all my whole life through babe
You're the one I want, I want to give tomorrow too
