

# Beautiful Girl

Kenny Lattimore

Beautiful girl, beautiful girl  
I think I've found myself an angel  
A pretty girl who makes my life complete

Ever since the day I found her  
She's all that I dream  
No other so lovely  
I've never seen such a face

There are no words that can explain  
The feeling she gives me  
And every time that she smiles  
And I look in her eyes

I fell in love with a beautiful girl  
There's no one that compares to her  
Never thought I'd be so lucky  
Beautiful girl, beautiful  
I wanna make her mine forever

I've been far from perfect  
She's had plenty reason to leave, ooh  
But somehow she forgives me  
From the life I used to lead

I never imagined I could be the one to perceive  
Someone as beautiful as she  
And every moment that I live and I breathe  
She makes my life so sweet

I fell in love with a beautiful girl  
There's no one that compares to her  
Never thought I'd be so lucky  
Beautiful girl, beautiful  
I wanna make her mine forever

I will always love her for the woman she is inside  
Her loves as pure as water that flows when my well is dry  
Oh, I'm in love

I fell in love with a beautiful girl  
There's no one that compares to her  
Never thought I'd be so lucky  
Beautiful girl, beautiful  
I wanna make her mine forever
