

# Don't Deserve

Kenny Lattimore

Hurt you, cheat you, I can't believe that you're  
Staying with the man who can love you like I can  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not true

Queen, and I mean that, I'm not just saying that  
One of a kind and not just because you're fine  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not for you

Girl, it's not to drive me crazy  
Listen to the words you're saying  
How could you just sit and let him  
Take your precious love for granted

It's a good thing I don't know him  
I don't feel no shame in saying  
Evidently he can see that  
Anyone would want his lady

Hurt you, cheat you, I can't believe that you're  
Staying with the man who can love you like I can  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not true

Queen and I mean that, I'm not just saying that  
One of a kind and not just because you're fine  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not for you

I've been waiting for the moment  
I thought you recognized that I've been  
The shoulder that you run to crying  
The one you always couldn't fight in  
Baby, tell that it's over and you're gone

Girl, there's so much that I want to show you  
'Cause in your eyes, girl I can see  
My future, my lover and eternity

Baby think about it, we don't know how  
To give you all the things you know love's about  
Listen baby, I can show you how it should be, baby  
To kiss away all of your pain would take me  
Just hearin', you're sayin', come love me right now

Hurt you, cheat you, I can't believe that you're  
Staying with the man who can love you like I can  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not true

Queen and I mean that, I'm not just saying that  
One of a kind and not just because you're fine  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not for you

Hurt you, cheat you, I can't believe that you're

Staying with the man who can love you like I can  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not true

Queen and I mean that, I'm not just saying that  
One of a kind and not just because you're fine  
He don't deserve to have a woman like you  
And you don't deserve to have a man that's not for you
