

For You

Kenny Lattimore

For you I'd give a lifetime of stability
Anything you want of me
Nothing is impossible
For you there are no words or ways to show my love
Or all the thoughts I'm thinking of
Cause this life is no good alone
Since we've become one
I've made a change
Everything I do now makes sense
All roads end
All I do is for you

For you I share the cup of love that overflows
And anyone who knows us knows
I would change all faults I have
For you there is no low or high or in between
Of my heart that you haven't seen
Cause I share all I have and am
Nothing I've said's hard to understand
All I feel I feel deeper still
And always will
All this love is for you

Every note that I play
Every word I might say
Every melody I feel
Are only for you and your appeal
Every page that I write
Every day of my life
Would not be filled without the things
That my love for you now brings

For you I make the promise of fidelity
Now and for eternity
No one could replace this vow
For you I'd take your hand and heart
And everything
And add to them a wedding ring
Cause this life is no good alone
Since we've become one you're all I've known
And if this feeling should leave I'd die
And here's why
All I am is for you

Everything I do now makes sense
All roads end
All I do
Is for you
Only for you
