

# Healing

Kenny Lattimore

Come into His presence  
Bring your burdens here  
Jesus is waiting, give Him your cares

Come to Him as you are  
Mercy and grace you'll find  
There is healing, healing for your soul

Come into His presence  
Your salvation's here  
The Lord is waiting today to fill  
Your heart with love, joy and peace

Won't you give Him a try?  
There's healing for, there's healing for  
There's healing for your soul, your soul
