

Healing

Kenny Lattimore

Come into His presence
Bring your burdens here
Jesus is waiting, give Him your cares

Come to Him as you are
Mercy and grace you'll find
There is healing, healing for your soul

Come into His presence
Your salvation's here
The Lord is waiting today to fill
Your heart with love, joy and peace

Won't you give Him a try?
There's healing for, there's healing for
There's healing for your soul, your soul
