

You Are My Starship

Kenny Lattimore

Yeah... Yeah... Yeah...

You are my life,
I have to go on...
Have me anyway you want to,
Just take care and love me till my tensions gone,

You are my starship come take me out tonight,
And don't be late (2x)
And don't you come too soon...

Baby yeah...
Oooo take me tonight,
I love and want you baby,.. ooo,
Tonight tonight ohhh baby,

You are my starship come take me out tonight,
And don't be late (2x)
And don't you come too soon...
(2x)

And don't you come too soon...

I can't say,..
(I just can't say)
I don't want nobody kissin you but me
(I just can't say)

You are my starship come take me out tonight,
And don't be late (2x)
And don't you come too soon...
(2x)

And don't you come too soon...

Baby... uhhhh
Take me out tonight and don't be late...
Oh you are you are you are...
My starship come take me out tonight,
And don't be late and don't you come too soon...
