

## A Love Song

Kenny Loggins

There's a wren in a willow wood  
Flies so high, sings so good  
And he brings to you, what he sings to you  
And the love in his lullaby  
Seems to tell me if I try  
I could fly for you  
Lover I wanna try for you cause

I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feeling of my home

Summer thunder on moon-bright days  
Northern lights in the skys ablaze  
I'll bring to you, if you let me sing to you  
Silver wings in a firery sky  
Show the trail of our love and  
I wanna sing to you, love is what i bring to you  
I wanna sing to you

Oh, I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feeling of my home

Oh, I wanna sing you a love song  
I wanna rock you in my arms all night long  
I wanna get to know you  
I wanna show you the peaceful feeling of my home
