

All I Ask

Kenny Loggins

Every time I'm around you
I'm caught by surprise
A sense of electric anticipation
Rolls into me when you smile

And I know that you're filled by emotion
'Cause I see it in the tear that you hide
Girl I don't want you to go
And I don't need you to know
If forever is a part of your life

Baby, all I ask of you
Is hear your heart
All I ask of you
Is trust it babe
Listen to me baby

They call love "Illusion"
They say, "Falling in love's a mistake"
It could be just about anybody
But I don't see it that way

Hey I know what's in you
Because I can feel it too
And I've never been
More scared in my life

And I don't want you to go girl
I don't need to know
If forever's what I see in
Your eyes

All I ask of you
Is hear your heart
All I ask of you
Is trust it babe
Listen to me baby

All I ask of you
Is hear your heart
All I ask of you
Is trust it babe
Listen to me baby

Just as the night
Knows the sun's comin' home
Trust that our love
Has a mind of it's own

All I ask of you
Is hear your heart
All I ask of you
Is trust it babe
Baby baby

All I ask of you
Is hear your heart

All I ask of you
Is trust it babe
Trust it babe

All I ask
Hear your heart
All I ask
Trust it babe

All I ask of you
Hear your heart
All I ask
Trust it babe
