

# Heart to Heart

Kenny Loggins

You ain't crazy  
I ain't gonna lie anymore  
What you're feelin'  
There's a reason for  
I wanna do right  
Oh, I gotta do right  
Do I love you  
Oh, you know I've tried  
But what you're after  
You can't find in my eyes  
I wanna do right  
Hmm, hmm, hmm, horns

Darlin'  
Tell the truth  
Don't turn away  
This is our last chance  
To touch each others heart  
Does anything last forever  
I don't know  
Maybe we're near the end  
(So come and tell me)  
So darlin'  
Oh, how can we go on together  
Now that we've grown apart  
Well the only way to start  
Is heart to heart

One by one  
We're collecting lies  
When you can't give love  
You give alibis  
Now I'm gonna do right  
This time I gotta do right  
I don't wanna leave  
I don't wanna say good-bye  
Sooner or later  
Honey, there comes a time  
Tomorrow, when you gotta do right  
Come on home

Darlin'  
Tell the truth  
Don't turn away  
From this one last chance  
To touch each others heart  
Does anything last forever  
I don't know  
Maybe we're near the end  
(So come and tell me)  
So Darlin'  
Oh, how can we go on together  
Now that we've grown apart  
Well the only way to start  
Is heart to heart  
(Why are you so torn apart)  
I need a little more lovin' in my heart

(People say that love will grow)  
So how was I to know  
Love that's come through years and years  
Can't find a way back home  
Anymore

[Instrumental Interlude]

Darlin'  
Tell the truth  
Don't turn away  
This is our last chance  
To touch each others heart  
Does anything last forever  
I don't know  
But maybe we're near the end  
So darlin' tell me  
Oh, how can we go on together  
Now that we've grown apart  
Well the only way to start  
Is heart to heart  
Does anything last forever  
I don't know  
But maybe we're near the end  
So darlin' tell me  
Oh, how can we go on together  
Now that we've grown apart  
Well the only way to start  
Is heart to heart
