I Would Do Anything

Kenny Loggins

Love, where are we going,
And when do we reach the promise on the horizon,

Out on the ocean, under a sunset, I was invited to come out and play a while with magic and move a mountain.

Has anyone ever captured the sun, Is the eagle ever truly tame, Given just a little time, I know that you'll find a way.

I would do anything for you, Give up the world I've made me And take you away, I swear from now on, The trust in my heart, The vision of you in my life

My love, I will be faithful, but how can I make a promise to a place I've never been?

Something has taken me off, and I don't know if I will survive. I believe that everything I'll ever need is here by the roadside.

How can you fly, keeping heaven in sight, blinded by the light of day?

Given just a little time, I know that I'll find a way

I would do anything for you, Listen with all of my spirit, for ecstasy calling, You know I believe, Cause all I have seen, From the mountain, The view from the heart.

I would do anything for you,
Give up the world I've made me
And take you away,
I swear from here on,
The trust in my god,
The vision of you in my life

Freedom is mine,
One beat at a time,
Where are we going,
I just don't know yet,
How will we make it,
I just can't say,

All that I know is that we've finally sailed away.

Seems everyone's made a prison of love, But if anybody can escape, Given just a little time, I know that we'll find a way.

I would do anything for you, Listen with all of my spirit, for ecstasy calling, You know I believe, Cause all I have seen, From the mountain, The view from the heart.

I would do anything for you, Give up the world I've made me And take you away, I swear from here on, The trust in my god, The vision of you in my life

In my arms, I'll pray
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
I am safe, I am loved, I am free, baby
