

It's About Time

Kenny Loggins

I shed my skin
And set aside this self-made darkness
'N walk on into the light

I'm sick of this prison
I been calling my life
I finally found out the gates of hell are locked from the inside
Just like Moses
Headed for the Promised Land
We don't get to know where we're goin'
We only know where we've been

Hope
Whenever you gotta start, ya start
Faith
Whatever you gotta leave, you leave
Life
Sometimes you're gonna hit the mark
Love
Sometimes you're gonna take the next best thing
Joy
Whatever you wanta start, ya start
Time
Sometimes you're gonna hit the mark
Trust
Sometimes you gotta scream

If it's about joy
If it's about life
If it's about love
It's about time we get started
If it's about trust
If it's about hope
If it's about us
It's about time we get started

We don't get forever
We just get now or never
To make the best or the worst of the time that we got
There's power in this groove
And I surrender to the river
It's takin' me to

I'll learn to swim
I'm getting in
I'm getting wet
I may be drownin'
But I ain't dead yet

Hope
Whenever you gotta start, ya start
Faith
Whatever you gotta leave, you leave
Life
Sometimes you're gonna hit the mark
Love
Sometimes you're gonna take the next best thing

Joy
Whatever you wanta start, ya start
Time
Sometimes you're gonna hit the mark
Trust
Sometimes you gotta scream

If it's about joy
If it's about life
If it's about love
It's about time we get started
If it's about trust
If it's about hope
If it's about us
It's about time we get started

Oh baby
It's all right
You only gotta face yourself
To make it to the other side

Oh baby you don't know what you'll find
?Til you tear down those walls
And make up your mind

If it's about joy
If it's about life
If it's about love
It's about time we get started
If it's about trust
If it's about hope
If it's about us
It's about time we get started

I been tryin'
Prayin' cryin
Lord, what's it gonna take
Step by step you go on
Knowin' that you hold on
It's just about time
