

Lorraine

Kenny Loggins

Hold me
Long enough to tell me
What you told me
Long ago
Before you got to know me

Only when lovers try
They learn to talk it out
To keep their love alive
That's the only way, I say,
That love survives
Its time we try

Lorraine
Won't you show the way
Hearts that bend won't break
When they learn to face the truth now
Show me how

Lorraine
I know you feel the same
Hold me now
I don't know what to say
I'm so in love with you
Lorraine

Talk to me
Isn't that the way it ought to be?
But what's the use if we end up a memory
Remembering our honesty
I always thought that's what you want of me
But now the truth has made you turn your back on me
Oh, can't you see

I've got to find a way
I beg you babe
I need to hear you say
You love me

If I have the chance
I won't let you go
I'll stay by your side
I'll be lovin' you darlin'
And for all of my life
I will let you know
You're my only love
Just believe in me darlin'

Look in my eyes
I swear this is true
I you want it
You got it
I promise you Lorraine

I swear I love you
I always will
This kind of feeling never came to me until Lorraine
