

You Don't Know Me

Kenny Loggins

You put your hand in mine
And then you say, "Hello"
And I can hardly speak
My heart is beating so
And anyone could tell
You think you know me well
Well, you don't know me

No you don't know the one
Who dreams of you at night
And longs to kiss your lips
And hold you tight
To you I'm just a friend
That's all I've ever been
You don't know me

For I never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let love pass me by
And a chance that you might love me too

I never knew, never knew the art of making love
Though my heart is in love with you
Afraid and shy, I let love, let it pass me by
Chance that you might love me too

You put your hand in mine
Then you say, "Goodbye"
I watched you walk away
Beside the lucky guy
And he'll never, never know
The one who loves you so
You don't know me

... never, never, never know
The one who loves you so
You don't know me
