

727 East Magnolia Avenue

Kenny Rogers

You won't believe where I was today
Something made my car go a different way
Before I knew it
I was back in time at our old address
Sitting in the drive
And I could see you in my football jersey raking leaves
I could see me hanging lights on our first Christmas tree
I could see us nail those numbers on the door that afternoon
At 727 East Magnolia Avenue
They added on where we thought we would
You always said it would sure look good
They cut down that tree we were afraid would fall
Looks like they picked up right where we left off
I could see you out there on the deck soaking up the sun
I could see me chasing you around with a water gun
I could see us there together
Seemed the sky was always blue
At 727 East Magnolia Avenue
If I could make one wish
Oh, I'd relive my life with you
At 727 East Magnolia Avenue
