

A Little More Like Me

Kenny Rogers

It was an April night and I was driving
Went out on the town
The show was at the palace
So we all went on down

We all had a bomb as I recall
But now it seems absurd
As the madness raged upon the stage
He didn't say a word

He was a little weak and we all fear
It wasn't one of us
He didn't drink, he didn't smoke
And he didn't ...

You'd see him now and then
With a bunch of men hanging around the sea
And I'm sure I would have liked him more
If he were a little more like me

It was a spring each day
The clouds were gray
Looked like in my dream
Thought about the night before
And I was so ashamed

When I heard what they had done to him
Stranger I had known
But as drunk as we all got last night
It's a wonder we got home

He was a little weak and we all fear
It wasn't one of us
He didn't drink, he didn't smoke
And he didn't ...

You'd see him now and then
With a bunch of men hanging around the sea
And I'm sure I would have liked him more
If he were a little more like me

And I'm sure I would have liked him more
If he were a little more like me
