

Crazy In Love

Kenny Rogers

Ain't funny how time
Steals the feeling from a love affair
And there's no place to lay the blame
'cos in any case, oh, no one cares
Helplessly we just watched it fade away
Neither will admit it
Are we both aching to say.

We, you, I miss the days when we were crazy in love
When you were so sure of me, I had my little jealousy.
We, you, bring back the days when we were crazy in love
I wanna feel that way again, remember when we were crazy in love.

I know it used to be so easy
One touch and I was high
And I could get intoxicated
Just by looking in your eyes
Oh, baby ain't there anything we can do
'cos I know you're missing me
As much as I've been missing you.

We, you, ...

Girl, we were more than best of friends
We were crazy in love.
