

Endless Love

Kenny Rogers

My Love
There's only you in my life
The only thing that's right

My first love
You're every breath that I take
You're every step I make

And I
I want to share
All my love with you
No one else will do

And your eyes
They tell me how much you care
Oh yes, you will always be
My endless love

Two hearts
Two hearts that beat as one
Our lives have just begun

Forever
I'll hold you close in my arms
I can't resist your charms

Oh, love
I'll be the fool
For you I'm sure
And you know I don't mind

'Cause you
You mean the world to me
I know I found in you
My endless love

And love
I'll be the fool
For you I'm sure
And you know I don't mind

And yes
You'll be the only one
'Cause no one can deny
This love I have inside
And I'll give it all to you
My love
