

Have I Told You Lately That I Love You

Kenny Rogers

Have I told you lately that I love you
Have I told you there's no one else above you
Fill my heart with gladness
Take away all my sadness
Ease my troubles that's what you do.

For the morning sun and all it's glory
Greets the day with hope and comfort too
You fill my life with laughter
Take it away and make it better
Ease my troubles that's what you do.
There's a love lost you found
And it's yours and it's mine
Like the sun, and at the end of the day
We should give thanks and pray
To the one, oh, to the one.
