## Have I Told You Lately That I Love You

## **Kenny Rogers**

Have I told you lately that I love you
Have I told you there'DDs no one else above you
Fill my heart with gladness
Take away all my sadness
Ease my troubles that'DDs what you do.

For the morning sun and all it's glory Greets the day with hope and comfort too You fill my life with laughter Take it away and make it better Ease my troubles that' DBs what you do. There' DBs a love lost you found And it' DBs yours and it' DBs mine Like the sun, and at the end of the day We should give thanks and pray To the one, oh, to the one.
