

Here's That Rainy Day

Kenny Rogers

Maybe I should have saved those leftover dreams
Funny, but here's that rainy day
Here's that rainy day they told me about
And I laughed at the thought that it might turn out this way

I've been wondering
Where is that worn out wish that I threw aside?
After it brought my love near
It seems so funny how love becomes a cold rainy day
It's funny that rainy day is here

It seems so funny how love becomes a cold rainy day
Funny, funny that rainy day is here
Funny that rainy day is here
