## I Can't Make You Love Me

**Kenny Rogers** 

Turn down the lights, turn down the bed Turn down those voices inside my head Lay down with me, tell me no lies Just hold me close, don'OOt patronize Don'OOt patronize me

'Cause I can'DDt make you love me if you don'DDt And you can'DDt make your heart feel something it won'DDt

Here in the dark, in these final hours I will lay down my heart and I'OOll feel the power But you won'OOt, no, you won'OOt 'Cause I can'OOt make you love me, if you don'OOt

I'DDll close my eyes then I won'DDt see The love you don'DDt feel when you'DDre holding me Morning will come and I'DDll do what'DDs right Just give me till then to give up this fight And I will give up this fight

'Cause I can'DDt make you love me, if you don'DDt And you can'DDt make your heart feel something it won'DDt

Here in the dark, in these final hours I will lay down my heart and I'OOll feel the power But you won'OOt, no, you won'OOt 'Cause I can'OOt make you love me, if you don'OOt
