

I Can't Unlove You

Kenny Rogers

Postcards and letters
And pictures made to last forever
To be boxed up and tossed away
Knickknacks and souvenirs
In an afternoon, they're out of here
They'll disappear without a trace
But what they mean to me
Can never be replaced

I can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things
That used to mean so much
I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, it's no use
I can't unlove you

Interstates and old songs
Like time they go on and on
I guess I could learn to do the same
I could wake up without you
These two arms not around you
Tell myself it's meant to be this way
No matter how I try somethings I can't change

I can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things
That used to mean so much
I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, no
Oh, it's no use
I can't unlove you

I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, oh, it's no use
I can't unlove you
