Postcards and letters
And pictures made to last forever
To be boxed up and tossed away
Knickknacks and souvenirs
In an afternoon, they're out of here
They'll disappear without a trace
But what they mean to me
Can never be replaced

I can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things
That used to mean so much
I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, it's no use
I can't unlove you

Interstates and old songs
Like time they go on and on
I guess I could learn to do the same
I could wake up without you
These two arms not around you
Tell myself it's meant to be this way
No matter how I try somethings I can't change

I can't unthink about you
I can't unfeel your touch
I can't unhear all the words
Unsay all the things
That used to mean so much
I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, no
Oh, it's no use
I can't unlove you

I wish I could unremember
Everything my heart's been through
And finding out it's impossible to do
Oh, oh, it's no use
I can't unlove you
