

I Could Be So Good for You

Kenny Rogers

If you want to, I'll change the-e situation
Right people, right time, just the wrong location
I've got a good idea, just you keep me near
I'd be so good for you

I could be so good for you, I'm gonna help ya
Love ya like you want me to
I'd do anything for you
Id be so good for you
I could be so good for you
I'll do it like you want me to
Love you like you want me to
There ain't nothin' I can't go through
I'd be so good for you

Sometime when you're feelin' like a poor relation
Call on me and I'll give you more than conversation
Take an' shake it, hey it's a deal
And woh big brother I'll make you heal
I'll be so good for you

I could be so good for you, I'll be right by your side
Love you like you want me to
There ain't nothin' you can hide from me
I'd be so good for you
I could be so good for you
I'm your man, Love you like you want me to
I'll tell you nothin', there ain't nothin', nothin' I cannot do
I'll be so good for you

Don't ask me no questions, I'll tell ya no lies
Use my shoulder to rest on
I will be right by your side
I will be your ear tonight

I could be so good for you, I'm the one you really need
Love you like you want me to
I can even help you breathe
I'll be so good for you
I can make the good times roll, make 'em roll
Love you with my heart and soul, That's right
Ooh-ooh-ooh-ooh, I'd be so good for you
