

I'll Be There For You

Kenny Rogers

I'll be there for you
You don't have to feel alone
Like a shadow by your side
I'll be with you right or wrong.

You stumble and you fall
But you can always lean on me
I'll be there to see you through
I'll be there for you.

I'll be there for you
When your dreams seem far away
Even in the darkest night
You can face the world unafraid.

And if you close your eyes
You will feel me next to you
No matter what you're going through
I'll be there for you.

Here today, here tomorrow
Through the joy, laughter and sorrow
You're in my heart, we're kindred souls
If you could read my mind
You'd know ...

I'll be there for you
The one who comes to your rescue
I'm the one you'll never leave
I'll be there for you
No matter what ...
