

I Only Have Eyes for You

Kenny Rogers

Are the stars out tonight
I don't know if it's cloudy or bright
'Cause I only have eyes for you dear

The moon maybe high
But I can't see a thing in the sky
'Cause I only have eyes for you

I don't know if where in the garden
Or row the crowded heaven
You are here so am I

Maybe millions of people go by
But they all disappear from you
And I only have eyes for you

I don't know if where in the garden
Or row the crowded heaven
You are here so am I

Maybe millions of people go by
But they all disappear from you
And I only have eyes for you
