

I Trust You

Kenny Rogers

God said, Mary pure and holy
With this baby, I trust you
She said, surely I'm not worthy
And it scares me, but I trust you.

R: Underneath a shining star
In a manger stall
Mary held the gift of love
God gave to us all.

Precious baby pure and holy
I'm not worthy, but I trust you

R: Underneath a shining star...

Precious baby pure and holy
Will you save me, I trust you
Son of Mary, I trust you...
