

I Will Remember You

Kenny Rogers

R: I will remember you
Will you remember me?
Don't let your life pass you by
Weep not for the memories

I'm so tired
I can't sleep
Standing on the edge of something
Much too deep

It's funny how we feel so much
and cannot say a word
We're screaming inside
but we can't be heard

R: I will remember you...

So afraid to love you
More afraid to lose
Clinging to a past
That doesn't let me choose

Well once there was a darkness
A deep and endless night
You gave me everything
You gave me life

R: I will remember you...

Remember all the good times that we had
Let them slip away from us
When things got bad

How clearly I first saw you
Smiling in the sun
I want to feel your warmth around me
I want to be the one

R: I will remember you... (2x)

Weep not for the memories

Weep not for the memories
