

## If I Ever Fall in Love Again

Kenny Rogers

You, I know you`re everything  
That I`ve been looking for  
And I, I look into your eyes  
And could not ask for more  
So it`s only fair to lay it on the line  
Hold on, I`m gonna need a little time.

But if I ever fall in love again  
Sometimes when this broken heart can mend  
I know it`s gonna be with you  
You`re the one to pull me through  
Though I don`t know when  
If I ever fall in love again.

Scared, I guess I`m scared to fly  
It`s such a long way down  
And yet, if you`d just trust in me  
I`m sure, I`d come around  
And I know when you`re hurt  
It`s hard to let someone inside  
In your arms I feel I`m ready now to try.

So if I ever ...

I`d be a fool to ever let you go  
You`re the best thing in my life  
When I know I`ve gotta take it slow.

I know ...
