If I Ever Fall in Love Again

Kenny Rogers

You, I know you`re everything
That I`ve been looking for
And I, I look into your eyes
And could not ask for more
So it`s only fair to lay it on the line
Hold on, I`m gonna need a little time.

But if I ever fall in love again
Sometimes when this broken heart can mend
I know it`s gonna be with you
You`re the one to pull me through
Though I don`t know when
If I ever fall in love again.

Scared, I guess I`m scared to fly
It`s such a long way down
And yet, if you`d just trust in me
I`m sure, I`d come around
And I know when you`re hurt
It`s hard to let someone inside
In your arms I feel I`m ready now to try.

So if I ever ...

I`d be a fool to ever let you go
You`re the best thing in my life
When I know I`ve gotta take it slow.

I know ...
