

# Love the World Away

Kenny Rogers

Every now and then  
When the world steps in  
Stealing all our time away  
It soon takes so much  
We forget to touch  
That's when I know  
It's time for me to say  
Take my hand  
Let's walk through love's door  
And be free from the world once more  
Care's my heart  
We can hide today  
And love the world away

Once again we'll be  
Where our hearts are free  
And the time is ours to share  
Love will always stay  
Just a touch away  
Come with me  
All the magic's waiting there  
Take my hand  
Let's walk through love's door  
And be free from the world once more  
Care's my heart  
We can hide today  
And love the world away  
We can love the world away
