

Love the World Away

Kenny Rogers

Every now and then
When the world steps in
Stealing all our time away
It soon takes so much
We forget to touch
That's when I know
It's time for me to say
Take my hand
Let's walk through love's door
And be free from the world once more
Care's my heart
We can hide today
And love the world away

Once again we'll be
Where our hearts are free
And the time is ours to share
Love will always stay
Just a touch away
Come with me
All the magic's waiting there
Take my hand
Let's walk through love's door
And be free from the world once more
Care's my heart
We can hide today
And love the world away
We can love the world away
