

# Love Will Turn You Around

Kenny Rogers

You can run, you can hide never let it inside  
Keep livin' your life in the dark  
But sooner or later that gentle persuader  
Is gonna catch up with your heart

Make you a dreamer  
Believer, believin' in love

Right when a man's doin' all that he planned  
And he thinks he's got just what he needs  
Life will deliver a shock that will shiver  
And drivin' him down to his knees

Make him start givin'  
Livin', livin' again

Well, it's your mind  
That tricks you in believin' every time  
Love will turn you around  
Turn you around

Well, it's your heart  
That talks you into to stayin' where you are  
Love will turn you around  
Turn you around

Out of the blue she reaches for you  
And you tell her you don't have the time  
So you move away fast but you know it won't last  
'Cause you can't get her off of your mind

Thoughts are burnin'  
Turnin', they're turnin' around

How do you know when to stay or to go?  
And how do you know when it's real?  
You don't need a sign to make up your mind  
You got your heart at the wheel

You wanna start sharin'  
Carin', carin' again

Well, it's your mind  
That tricks you in believin' every time  
Love will turn you around  
Turn you around

Well, it's your heart  
That talks you into to stayin' where you are  
Love will turn you around  
Turn you around

Love will turn you around  
Turn you around  
Love will turn you around  
Turn you around  
Turn you around
