

Make No Mistake, She's Mine

Kenny Rogers

Don't call her up, anymore
'Cause I don't wanna hear-ear your voi-oice
I don't wanna see your fa-a-ace
Answer her door-oor-oor
Make no mista-ake, she's mine
She-ee-ee's mi-ine

She only knows how I feel
I only know what she's li-like
When she nee-eeds me-ee
Oh how she needs me
Deep in the ni-ight
Make no mista-a-ake, she's mi-ine
She-ee's mi-ine, no, she's mi-ine

Don't get too close when you da-ance
'Cause I don't wanna hear from my frie-iends
You were out on the tow-own
With her in your arms
(Her in your ar-arms)
With her in your arms
(Her in your ar-ar-arms)

Don't include her in your dreams
'Cause I don't wanna clo-ose my eye-eye-eyes
No-o, I don't wanna know where she go-o-o-o-o-oes
Each night when she lea-ea-eaves
Make no mista-a-ake, make no mista-a-a-a-ake
She-ee-ee's mi-ine, no she's mine, she-ee's mi-ine

Don't call her up, anymore
Don't call her up
(Don't call her up) anymore
