

Soldier of Love

Kenny Rogers

I am only one of those who care
Who care about the faith of love
I know there's many others just like me
I know they two ain't had enough
'cos this heart's doin' battle on the front line
Love's got no heroes in these modern times
What love needs is a defender
I am a soldier of love.

I see it in your eyes you felt the heat
There was a time when you believed
Love is the only way to make it thro'
Or be another casualty
From that heart's doin' battle on the front line
Love's got no heroes in these modern times
What love needs is a defender
I am a soldier of love.
